Legion Posts To Sell Pins For 'Dimes'
 California American Legion Posts will take to the streets Jan. 14th to help finish the fight against polio, according to Joseph M. Farber of Pasadena, State Legion Commander. An estimated 140,000 Legionnaires from 826 Posts will sell blue crutch lapel tags as a part of the 1956 March of Dimes. "It is important to every American that we carry through the fight against polio," Farber said. "It would be a national tragedy to assume a victory we have not yet won."
 Farber said American Legion Posts have taken on the blue crutch project in the belief it will hasten the day when polio will be a thing of the past. The Legion Commander pointed out that 68,000 victims of polio are currently depending on March of Dimes help in their fight toward recovery. Legion spokesmen said local plans for tag days will be announced in more than 50 cities within the next few weeks.

Israeli Will Discuss New Jewish State
 Meir Ayalon, Israeli vice consul, will be the guest speaker at the meeting of the South Bay B'nai B'rith to be held at Temple Shalom, Normandie and Century, in Los Angeles at 8:30 p.m. tonight. The subject of Ayalon's talk will be "Know Israel." This is an open meeting. Refreshments will be served.
 Members of B'nai B'rith will observe the Chanukah festival. Rabbi Alex Weisel will preside over the ceremonies. The celebration of Chanukah dates back to the period in which Palestine was occupied by the Syrians, who desecrated the Temple. The word, "Chanukah," means rededication and the holiday symbolizes the rededication of the temple as a religious sanctuary.
 This holiday is also known as the Feast of Lights, for at that time, there was only enough sacred oil in the Temple to last for one day.

Church of God Plans Scene
 The South Bay Church of God, 17661 Yulion Ave., will present two showings of the Nativity Scene nightly, at 7 p.m. and 8 p.m., beginning Monday and running through Dec. 24. The church choir and pastor will present the background. Music and scriptures over a loudspeaking system. The Biblical characters will be portrayed by members of the congregation.
 The lawn of the church will be arranged with several scenes, including the manger where the Christ Child lay, the shepherds in the field, the shepherds visiting the Christ Child, the wise men visiting King Herod, and the same wise men journeying to Bethlehem to visit the Baby Jesus.
 The purpose in presenting this pantomime of the Nativity Scene is to make all people everywhere aware of the true significance of Christmas—the birthday of the Saviour of the world, according to the pastor, the Rev. C. L. Tierney.
